Hi Ty,

As we discussed on the monthly status phone call on Friday, this application should not come off the list at this time. We will be contacting the applicant directly to find out what they intend to do. We will not let the application stay pending if they are not actively pursuing it.

David

Hi George, We will take this off our agenda until the applicant notifies us they are ready to proceed. Does that sound ok?  
Thanks,  
Ty

Hi Tyrone,

I'm very sorry to mess you around but after several meetings today we have decided that we need to postpone this application.

The deal we were working on with T-Mobile, which caused us to make this application, has come to a standstill and we have no idea when it may be progressed. On that basis, as we have so many other things to work on, we feel it best to postpone this application as we cannot give it the time it warrants.

Can you please confirm that we could pick up this application again (possibly in a few months time) without paying the application fee again?

Kind Regards and Many thanks

Sarah Croston

Hi Tyrone,

We have now engaged an attorney and are just in the process of passing on the triage questions to them to help us to answer them?

Is more time available to us to get this sorted?

Thanks very much

Sarah

Dear Marilyn,

Thanks for your e-mail. Unfortunately, the Telecoms attorney we were going to use to help us make sure we completed this application correctly has let us down and so until we are able to engage another telecoms attorney (which I am working on this week), we are not in a position to proceed, unless more time can be granted which I'm presuming you will be unable to do?

Can you confirm that we will be able to start the application process again?

Thanks very much for your time.

Kind Regards

Sarah Croston

Good Afternoon,

The U.S. Department of Justice and other federal agencies routinely conduct reviews of certain applications submitted to the Federal Communications Commission (FCC). We are currently reviewing FCC application ITC-214-20140508-00152 (Mobal Communications Inc.).

To assist us in expeditiously reviewing this matter, we request that Mobal Communications Inc. provide complete responses to the questions in the attached document as soon as possible. The responses will be shared with representatives of the Departments of Homeland Security and Defense and the Federal Bureau of Investigation.

Further, if we do not receive accurate and complete answers to the attached question set within two weeks from the date of this email indicating a continued interest in this matter, we will assume the applicant is no longer interested in pursuing its application and will advise the FCC that we are recommending the application be dismissed without prejudice as to refiling.

Return to the following addresses: [FIRS-TT@usdoj.gov](mailto:FIRS-TT@usdoj.gov) and [TeamTelecom@osd.mil](mailto:TeamTelecom@osd.mil) and [IP-FCC \(IP-FCC@HQ.DHS.GOV\)](mailto:IP-FCC@IP-FCC@HQ.DHS.GOV).
