APPLICATION FOR AUTHORITY

America Net Communication LLC, (hereafter also called “Applicant”) hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 et. al. (1982), and Section 63.18 of the Federal Communication Commission's (hereafter called “Commission”) Rules, 47 C.F.R. Section 63.18, to provide global or limited international facilities-based and resale services between the United States and international points, except those international points not authorized by the Commission and updated from time to time on the Commission’s Exclusion List. **America Net Communication LLC**, is a U.S. company organized under the laws of the **State of Florida** to provide international telecommunications services. America Net Communication LLC has a foreign affiliation with a private sister company (held by same sole owner) that provides termination to the destination of Brazil. This affiliate is a competitive telecom/VoIP provider and non-market dominant in the Republic of Brazil. Upon grant of authority **America Net Communication LLC** will serve customers throughout the United States. By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to **America Net Communication LLC**. **America**

Net Communication LLC has previously applied for International Section 214 Authority in October of 2013, however, this application was dismissed by delegated authority due to the company's unfamiliarity with the application process and the Commission's IBFS system. **America Net Communication LLC** has now retained regulatory counsel to assist in the application process to avoid similar issues with its application. Therefore, in support of this application, **America Net Communication LLC** respectfully submits the following:
