RE: 214 License Surrender
Global Calling Corporation
ITC-214-20140714-00199

Dear Sirs or Madames:

This letter shall serve as immediate and official notification, and in compliance with the FCC website required International 214 license surrender procedures, that Global Calling Corporation (dba Starfone), ITC-214-20140714-0019, is surrendering our license to the Federal Communications Commission.

Effective March 21, 2017, Starfone discontinued providing telecommunications services to our customers. Due to increasingly competitive forces, market conditions and regulations, we were left with no choice but to make this business decision and close our operations.

Customers have been provided with notification of our closure and our vendors as well.

Please feel free to contact us with any questions you may have (424) 276-3710.

Respectfully,

Jeff Kapner
