Telekomunikasi Indonesia International (USA) Inc. (“Telkom USA”) requests streamlined processing of this Application pursuant to Section 63.12 of the Commission’s Rules, 47 C.F.R. § 63.12. This Application qualifies for streamlined treatment under Section 63.12 for the following reasons:

(i) Telkom USA is affiliated with the foreign carriers identified in response to Question 11 below. None of the foreign carrier affiliates possesses 50% market share in the international transport or local access markets in those countries except Telkom USA’s foreign carrier affiliate in Indonesia. Accordingly, Telkom USA qualifies for non-dominant treatment or a presumption of non-dominant treatment, under Section 63.10(a)(3), on all routes except U.S.-Indonesia and with respect to these destination countries the Application qualifies for streamlined processing pursuant to Section 63.12(c)(1)(ii).

(ii) With regard to Indonesia, Telkom USA will be affiliated with PT Telekomunikasi Indonesia, Tbk. the incumbent telecommunications provider in that country. Indonesia is a WTO member and Telkom USA agrees to accept dominant carrier classification on the U.S.-Indonesia route. Accordingly, with respect to Indonesia, the Application qualifies for streamlined processing pursuant to Section 63.12(c)(1)(v).
