RE: ITC-214-20141219-00327

Dear Mrs. Dortch

Pursuant to Section 1.65 of the rules of the Federal Communications Commission ("FCC"), The People's Operator USA, LLC ("the Applicant") hereby provides this notice to update the above-captioned application for authority under section 214 of the Communications Act to provide global resale international telecommunications services. The application is currently under review by Team Telecom, which is being provided a copy of this letter.

Attachment 2 of the application identified Andrew Rosenfeld as the owner of 56.13 percent of the shares of The People's Operator plc ("TPO plc"), the ultimate parent of the Applicant. On February 8, 2015, Mr. Rosenfeld unexpectedly and unfortunately passed away. Mr. Rosenfeld was not involved in the day-to-day management of TPO and his passing does not affect the management or business plans of the Applicant.

Following Mr. Rosenfeld's death, his shares passed into his estate. Under his estate the only beneficiaries are his widow, Juliet Rosenfeld, and his four children, being James Rosenfeld, Matthew Rosenfeld, Joanna Rosenfeld and Naomi Rosenfeld. They are the only beneficiaries of his estate and they are between them entitled to the whole of Mr. Rosenfeld's estate, including the shares of TPO plc.

Page Two

Juliet and Matthew will administrator the estate. Upon completion of the administration of his estate, it is anticipated that Mr. Rosenfeld's TPO plc shares will be distributed evenly among the five family beneficiaries. This distribution will result in each family member owning 11.23 percent of the shares. No family member will have *de jure* or *de facto* control over TPO plc, and, therefore, no *de jure* or *de facto* control over the Applicant. The Applicant will notify the FCC upon distribution of the shares.

Sincerely,  
/s/  
Michael Pryor
