

## Attachment 1 to Skiproaming's Application for International Section 214 Authority

A response to question 9 - Does the applicant request streamlined processing pursuant to 47 C.F.R. Section 63.12? If yes, include in Attachment 1 a statement of how the application qualifies for streamlined processing. **Yes, Skiproaming requests and qualifies for streamlined processing.**

Section 63.12 identifies three circumstances under which the streamlined processing procedures will not apply. As explained below, **none of these circumstances apply to Skiproaming or its application:**

1. 63.12(c) (1). The applicant is affiliated with a foreign carrier in a destination market - **Skiproaming has no such relationship with a foreign carrier in any market it does business in or will do business in.**
2. 63.12(c) (2). The applicant has an affiliation with a dominant U.S. carrier whose international switched or private line services the applicant seeks authority to resell (either directly or indirectly through the resale of another reseller's services) - **Skiproaming has no such relationship with a dominant U.S. carrier in any market it does business in or will do business in.**
3. 63.12(c) (3). The Commission has informed the applicant in writing that the application is not eligible for streamlined processing - **Skiproaming has not received any such notification.**

**As a result, Skiproaming requests streamlined processing of its Application for International Section 214 Authority under Section 63.12.**
