Dear Adrienne,

Thank you for the question.

As of now, I own 100% of the company. A copy of the EIN approval based on me as the sole member is attached for your ready reference.

If you have any other questions please don't hesitate to ask.

Best regards,

Birendra

Birendra,

I had one small question about the above-mentioned application. The ownership lists you as owning 10% or greater of the applicant, but it doesn't say what percentage you own. Would you be able to provide that to me? Thanks.
