Dear Mr. Plikerd:

On June 4, 2015, Unitycomm, LLC (Unitycomm) filed an application for International Section 214 authority (File No. ITC-214-20150604-00137). Unitycomm has a delinquent debt and thus the Commission cannot act on the application at this time. UnityComm must make full payment of the debt owed before the Commission can grant the application. If the payment is not made within 30 days, we will dismiss the application without prejudice pursuant to Section 1.1910(b)(3) of the Commission's rules.<sup>1</sup>

Section 1.1910(a)(1) of the Commission's rules requires the Commission to examine each application to determine whether the applicant is delinquent in any non-tax debt owed to the Commission.<sup>2</sup> Section 1.1910(b)(2) of the Commission's rules requires the Commission to withhold action on applications, including requests for authorization by any entity found to be delinquent in its debt to the Commission.<sup>3</sup> Section 1.1910(b)(3) of the Commission's rules states that "[i]f a delinquency has not been paid or the debtor has not made other satisfactory arrangements within 30 days of the date of the notice provided pursuant to paragraph (b)(2) of this section, the application or request for authorization will be dismissed."<sup>4</sup>

Accordingly, pursuant to Sections 0.261 and 1.1910 of the Commission's rules,<sup>5</sup> we hereby provide notice that IP Network's 214 application will be **dismissed without prejudice on September 22, 2016** if the non-tax debt is not paid.
