Re: Application ITC-214-20151111-00266

Dear Ms. McNeil:

This will supplement the FCC 214 license application of Cuba International Network, LLC (CIN), application # ITC-214-20151111-00266.

In response to your questions: Mr. Barry Pasternak is the 100 % owner of the applicant, Cuba International Network, LLC. His home address is 2158 Nova Village Drive, Davie, Florida 33317. Mr. Pasternak is a U.S. citizen.

It might also be helpful for you to know that CIN intends to use its FCC 214 license to send content between Cuba and the U.S. once the FCC removes Cuba from its Exclusion List. CIN has also filed applications for a Cuba OFAC license and for a BIS export license. CIN is a proposed technical producer of television and Internet content. It has applied to export two state of the art mobile production studios to Cuba for its own use. If granted the OFAC license, it will make itself available to major U.S. and foreign content distributors such as U.S. networks, to shoot sporting and cultural events in Cuba and transmit its footage to editing platforms in the U.S.

Thank you for your attention to this matter. Please feel free to contact me with any additional questions you may have.

Very truly yours,

Wilson Elser Moskowitz Edelman & Dicker LLP
