Re: **Name Change Request**  
**ITC-214-20160226-00112**

Dear Sir or Madam,

On April 22, 2016, Ziga International, Inc. was assigned ITC-214-20160226-00112. However, it has developed that the chosen name for our new telecommunications company, "Ziga International" was a very unfortunate choice, due to the Zika virus and the negative connotations of the current health crisis.

As a result, Ziga International has officially changed the company name to "**Sky Long Distance, Inc.**" in the company's domicile state of Alabama and has completed the CORES process for changing the company name. Attached is a copy of the confirmation email from Samantha Pierce at CORES.

Per Kathleen Campbell's email instruction, we are submitting this request through the MyIBFS website to request the name change on Ziga International's recently approved 214 Application.

Thank you for your assistance with this matter. If you need any further information, please contact me via email at [Admin@skylongdistance.com](mailto:Admin@skylongdistance.com).

Best regards,

**Subject:** Company Name Change Request

On January 27, 2016, Ziga International, Inc. was assigned FRN 0025236803. However, it has developed that the chosen name for our new telecommunications company, "Ziga International" was a very unfortunate choice, due to the Zika virus and the negative connotations of the current health crisis.

As a result, Ziga International has officially changed the company name to "Sky Long Distance, Inc." in the company's domicile state of Alabama. Attached is the approved name reservation from the Secretary of State's office and the approved name change from the Judge of Probate's office.

Therefore, please make this change to the FRN Registration to reflect the new company name.

If you have any questions or need any further information, please contact me via return email.

Thank you for your assistance,
