**Re: Potential Dismissal of Splora, Inc.'s International Section 214 Application  
File No. ITC-214-20160413-00139**

Dear Mr. Thong:

Our records indicate that the international Section 214 application filed by Splora Inc. (Splora), File No. ITC-214-20160413-00139, remains pending awaiting completion of review by the Executive Branch agencies. On May 13, 2016, we forwarded the application to the Executive Branch agencies. On June 3, 2016, the Commission notified you that, pursuant to Section 63.12(c)(3) of the Commission's rules,<sup>1</sup> your application was removed from streamlined processing pending Executive Branch review and that Splora could not commence operations until the authorization is granted.<sup>2</sup> The Executive Branch agencies have informed us that they have not received a response to supplemental questions that they sent to you on September 20, 2016. Consequently, the Executive Branch agencies cannot conduct their review of the application.

Please inform us no later than **Monday, October 31, 2016**, if you would like to continue to seek the grant of the international Section 214 application and when you will provide the requested information to the Executive Branch agencies. Your response should be submitted via IBFS, and you should email a copy to me at [Denise.Coca@fcc.gov](mailto:Denise.Coca@fcc.gov) and to David Krech, Associate Division Chief at [David.Krech@fcc.gov](mailto:David.Krech@fcc.gov). Failure to respond to this information request will subject your application to dismissal without prejudice under Sections 1.748(a) and 63.51(b) of the Commission's rules.<sup>3</sup>

Sincerely,

  
for Denise A. Coca

Chief,  
Telecommunications and Analysis Division
