RE: Correction to Ownership Information  
FCC 214 ITC-214-20160504-00148  
Primo Connect, Inc.

Dear Secretary Dortch:

We are regulatory counsel to Primo Connect, Inc. ("Primo") During a recent review of Primo's licenses, an error was discovered pertaining to the ownership information listed in the original 214 International application. The purpose of this letter is to inform the Commission of the error and to correct the Commission's records to reflect the proper ownership information.

History

The management personnel of Primo, who authorized the filing of Primo's FCC 214 International authority, were unaware at the time of the filing that the ownership investment in Primo originated from The David and Paige Glickman Family Trust, of which David and Paige Glickman are the designated Trustees ("Trust"). The ownership was incorrectly reflected as David Glickman, an individual. The Trust has been in existence since 2010.

Information Requiring Correction

On May 6, 2016, Primo Connect, Inc. filed an FCC 214 International Application along with a list of its 10% or greater direct or indirect shareholders or other equity holders in response to Section 14.

The response included the majority ownership information as follows:

David Glickman, an individual	60% Owner
-------------------------------	-----------

Correct Information

The David and Paige Glickman Family Trust David and Paige Glickman, Trustees	60% Owner
---	-----------
