

**INDEPENDENCE TELECOMMUNICATIONS UTILITY**  
**International Section 214 Application for Streamlined Global Resale Authority**

**RESPONSES TO QUESTIONS 9, 11 AND 12**

Response to Question 9: Qualification for Streamlined Processing

Independence Telecommunications Utility (the "Company") qualifies for streamlined processing pursuant to Section 63.12 of the Commission's Rules because: (a) the Company is not affiliated with any foreign carrier in any destination market; (b) the Company is not affiliated with any dominant U.S. carrier whose international switched or private line services the Company seeks authority to resell; (c) the Company does not seek authority to provide switched basic services over private lines to any country (much less, to any country for which the Commission has not previously authorized the provision of switched services over private lines); and (d) the Company has no reason to believe that the Commission will inform it in writing that this application is not eligible for streamlined processing.

Response to Question 11: Applicant Not Foreign Carrier or Affiliated with Foreign Carrier

Independence Telecommunications Utility certifies that it is not a foreign carrier, and that it is not affiliated with any foreign carrier.

Response to Question 12: No Service to Restricted Destinations

Independence Telecommunications Utility (the "Company") certifies that it will not provide international telecommunications services to any destination country: (a) in which the Company is a foreign carrier; (b) in which the Company controls a foreign carrier; (c) in which an entity that owns more than 25 percent of the Company, or controls the Company, controls a foreign carrier; or (d) in which two or more foreign carriers (or parties that control foreign carriers) own, in the aggregate, more than 25 percent of the Company and are parties to, or the beneficiaries of, a contractual relation affecting the provision or marketing of international basic telecommunications services in the United States.
