**RE: International Section 214 Authority**

Dear Ms. Dortch:

In accordance with International Section 214 Application filing requirements, I am submitting this letter as Attachment 1 to Lightspeed Telecom's International Section 214 application requesting streamlined processing pursuant to 47 C.F.R. Section 63.12.

Lightspeed Telecom qualifies for streamlined processing for the following reasons:

- Lightspeed Telecom is not exempted under Section 63.12 (c); and
- Lightspeed Telecom has an affiliation with a dominant U.S. carrier whose international switched or private line services the applicant seeks authority to resell (either directly or indirectly through the resale of another reseller's services), unless the applicant agrees to be classified as a dominant carrier to the affiliated destination country under §63.10 (without prejudice to its right to petition for reclassification at a later date);

All correspondence and inquiries concerning this filing should be addressed to the undersigned.

Respectfully submitted,  
Lightspeed Telecom, LLC (DBA) US SONET
