**PETITION TO ADOPT CONDITIONS TO
AUTHORIZATIONS AND LICENSES**

The Department of Justice (“DOJ”) submits this Petition to Adopt Conditions to Authorizations and Licenses (“Petition”), pursuant to section 1.41 of the Federal Communications Commission’s (“Commission”) rules.¹ In the above-referenced proceeding, Lexitel Worldwide Telesync Solutions Corporation (“Lexitel” or “Applicant”), seeks an authorization for global or limited global resale service under Section 214 of the Communications Act of 1934, as amended,² and section 63.18(e)(2) of the Commission’s rules.³ Through this Petition, DOJ advises the Commission that it has no objection to the Commission approving the authority sought in the above-referenced proceeding, provided that the Commission conditions its approval on the assurance of Lexitel to abide by the commitments and undertakings set forth in the Letter of Agreement (“Agreement”) dated November 20, 2017, a copy of which is attached hereto.

The Commission has long recognized that law enforcement, national security, and public safety concerns are part of its public interest analysis, and has accorded deference to the views of other U.S. government agencies with expertise in those areas.⁴

After discussions with representatives of the Applicant in connection with the above-referenced proceedings, DOJ has concluded that additional commitments set forth in the Agreement will help ensure that the agency responsible for enforcing the law, protecting national security, and preserving public safety, can proceed appropriately to satisfy those responsibilities. Accordingly, DOJ advises that it has no objection to the Commission granting the application in the above-referenced proceedings, provided that the Commission conditions its consent on Lexitel's compliance with the Agreement.

Respectfully submitted,
