Re: Our Pending International 214 License Application (filed under FRN 0026291906)

Dear Ms. McNeill,

Pursuant to our recent telephone and email correspondence about the above-referenced application, because Cuba is not now on the exclusion list, please change our answer to question 8 on the application to "All International Points".

Thank you for your attention to this.

Very truly yours,

A handwritten signature in black ink, appearing to read "Larry J. Kolb", written over a light gray rectangular background.

Larry J. Kolb
duly-authorized
