CORRECTION TO APPLICATION FOR AUTHORITY

VRT USA Inc., (hereafter also called “Applicant”) hereby submits corrections to its previously filed application for resale authority under Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 *et. al.* (1982). The original Petition submitted for information relevant to Attachments I and II of the application, as well as relevant parts of the Introduction had contained a Scribner’s error in the Matter Style heading and the Introduction referencing facility-based services to being sought. Applicant is not seeking that type of Authority from the Commission at this time. Applicant is purely seeking to provide global or limited resale services between the United States and international points at this time. Similarly, the Applicant has recently moved its main office in Miami, Florida since time of application and now corrects the Application with updated address.

The attached Corrected Application is hereby submitted to correct the Scribner’s error in the Matter Style heading and the Introduction as well as its updated address. This Corrected Application shall replace the prior version for clarity. All other relevant parts of the application, as originally filed are correct in response to application for global or limited resale services between the United States and international points.

Respectfully submitted by and through counsel for VRT USA, Inc. on this 2/28/18,
