International Section 214 – Supplement to Application

January 16, 2018

The Application filed by SLIC Network Solutions, Inc., on December 29, 2017, indicated that, while Nicholville Communications, Inc. (“NC”), held an ownership interest in Nicholville Telephone Company, Inc. (“NTC”), NC is also a wholly owned subsidiary of NTC.

Upon further review, prompted by an inquiry from Commission staff concerning the ownership structure, it has been discovered that the Application was inadvertently incorrect in attributing to NC any ownership interest in NTC. In November 2017, NTC received an in-kind dividend from NC, consisting of shares of NTC that had previously been held by NC. As a result, NC no longer holds any stock of NTC, nor does NC have any ownership interest in NTC. NC continues to be wholly owned by NTC.

The following chart depicts current ownership interests of at least 10% in NTC. No other individual or entity has a 10% or greater direct or indirect interest in NTC.
