

APPLICATION OF NEUTRAL NETWORKS USA INC.

ATTACHMENT 1 – RESPONSE TO QUESTION 9

Does the applicant request streamlined processing pursuant to 47 C.F.R. Section 63.12? If yes, include in Attachment 1 a statement of how the application qualifies for streamlined processing.

This application qualifies for streamlined processing because none of the circumstances described in Section 63.12(c) apply. Specifically, the applicant is not affiliated with a foreign carrier in a destination market¹; and it is not affiliated with a dominant U.S. carrier whose international switched or private line services the applicant seeks authority to resell.

¹ Although the applicant's indirect parent is named Grupo Even Telecom, that company does not provide telecommunications services. Rather, it is holding company with subsidiaries that build and operate telecommunications towers, deploy fiber optics, lease dark fiber, and provide maintenance and other services to carriers and tower operators.
