Re: **Surrender of International Section 214 Authorization of Veracity Networks LLC**
(File No. ITC-214-20210318-00049)

To Whom It May Concern:

Veracity Networks, LLC ("Veracity") was granted international Section 214 authority by the Federal Communications Commission on May 7, 2021 in File No. ITC-214-20210318-00049.¹ Veracity does not offer any international telecommunications services and thus has no customers for such services. Further, the Company's business plans do not include provision of international Section 214 service offerings in future. For this reason, Veracity, through counsel, is making this filing to surrender its international Section 214 authority, effective immediately. Please direct any questions to the Company's below-signed counsel.

Respectfully submitted,

/s/ Winafred R. Brantl
