Application of Alleswolke Wireless LLC for Authority to Provide International Facilities-Based and Resold Telecommunications Services to All International Points

Pursuant to Section 214 of the Communications Act of 1934, as amended, and Section 63.18 of the Commission's rules,¹ Alleswolke Wireless LLC ("Alleswolke") hereby seeks international Section 214 authority to provide facilities-based and resold telecommunications services between the United States and all international points. Alleswolke anticipates using such authority to provide resold commercial mobile radio service as a mobile virtual network operator, including U.S.-international calling and data services. Responses to questions from the Section 214 Main Form are set forth below.

Answer to Question 9:

This application qualifies for streamlined processing pursuant to Section 63.12 of the Commission's rules, 47 C.F.R. § 63.12. Specifically, Alleswolke: (1) is not affiliated with any foreign carrier in a destination market, and (2) is not affiliated with a dominant U.S. carrier whose international switched or private line services Alleswolke seeks to resell. However, Alleswolke understands that the Commission will likely refer this application to the Committee for the Assessment of Foreign Participation in the United States Telecommunications Services Sector as a result of Alleswolke's reportable foreign ownership, in which case the application would not be streamlined.

Alleswolke provides the following information as required in Sections 63.18(d), (e)(3) and (g) of the Commission's rules, 47 C.F.R. §§ 63.18(d), (e)(3), (g):

- (d) Alleswolke previously received authority under Section 214 of the Communications Act to provide global facilities-based and resold U.S.-international telecommunications services pursuant to Section 63.18(e)(1) and (e)(2), 47 C.F.R. §§ 63.18(e)(1) and (e)(2). *See* File No. ITC-214-20180515-00097.
