Response to Question 11:

Not applicable.

Response to Question 15:

Pursuant to FCC Rule Section 63.18(d), Applicant has not previously been granted Section 214 international authorization. Applicant seeks authorization to operate as a global resale carrier pursuant to the terms and conditions of Section 63.18(e)(2) to resell the international services of authorized U.S. common carriers for the provision of international switched services to all international points. Because the Applicant seeks authorization as a global reseller, FCC Rule Section 63.18(g) is not applicable.
