In Reply to section 63.18(d): The applicant, Natel Networks, LLC, has not previously received authority under Section 214 of the Act.

Services and Facilities provided: Natel Networks, LLC will provide Enhanced IP-Telephony services to users. More specifically it will register users cell or home numbers with prepaid long distance accounts and through originating VoIP service terminate calls made by the users to the international destination of their choice. The facilities are contained and controlled through common PC based servers in the United States.

The facilities are categorically excluded as defined by § 1.1306 of this chapter, as it does not

- (1) Involve a site location specified under Sec. 1.1307(a) (1)–(7), or
- (2) Involve high intensity lighting under Sec. 1.1307(a)(8).
- (3) Result in human exposure to radiofrequency radiation in excess of the applicable safety standards specified in Sec. 1.1307(b).
