APPLICATION FOR AUTHORITY

Luminus Technologies Corp., (hereafter also called “Applicant”) hereby requests authority, pursuant to Section 214 of the Communications Act of 1934, as amended, 47 U.S.C. Section 214 et. al. (1982), and Section 63.18 of the Federal Communication Commission's (hereafter called “Commission”) Rules, 47 C.F.R. Section 63.18, to provide global or limited international facilities-based and resale services between the United States and international points, except those international points not authorized by the Commission and updated from time to time on the Commission’s Exclusion List. **Luminus Technologies Corp.**, is a U.S. company organized under the laws of the **State of Delaware** to provide international telecommunications services. Luminus Technologies Corp. has no foreign affiliations. **Luminus Technologies Corp.**, will serve customers throughout the United States. By granting this application, the Commission will serve the public interest, convenience and necessity by promoting competition in the international services market. Competition will benefit U.S. consumers by increasing service options and lowering prices. Thus, the public interest will be served by the grant of Section 214 authority to **Luminus Technologies Corp.** In support of this application, **Luminus Technologies Corp.**, respectfully submits the following:
