Optivon, Inc., a Florida corporation, (“Optivon FL” or “Applicant”) hereby submits the foregoing application for Section 214 authorization to Global Resale Authority pursuant to Section 63.18(e)(2) of the Commission’s Rules. Specifically, Applicant seeks to resell international telecommunications services to all international points. There are no countries for which Applicant does not request authorization.

In accordance with the International Bureau’s online form and application instructions, Applicant hereby provides the following information in this Attachment 1, for Items 9 through 13 of the foregoing application:

Applicant is not, and is not affiliated with, a foreign carrier in any destination market. Optivon FL is a U.S. company, organized and having its principal place of business in Florida. Optivon FL is affiliated with Optivon Telecommunications Services, Inc. (“OTSI”) and Optivon, Inc., a Puerto Rican corporation (“Optivon PR”). **Item 10:** Not applicable.

**Item 11:** Pursuant to Sections 63.18(i)-(m) of the Commission’s Rules, Applicant hereby certifies as follows:

- Applicant is not, and is not affiliated with, a foreign carrier.
- Applicant does not seek to provide international telecommunications services to any destination country for which any of the statements in Section 63.18(j) of the Commission’s Rules is true.

- Applicant is not, and is not affiliated with, any foreign carrier in any destination market, and therefore will not be reselling the services of unaffiliated carriers in any destination market where it or an affiliate is a carrier.

**Item 12:** Applicant does not seek to provide international telecommunications services to any destination country for which the statement in Section 63.18(j)(1) of the Commission’s Rules is true.

**Item 13:** Not applicable. Applicant is not, and has no affiliations with, any foreign carrier in any destination.
