

FCC 214 APPLICATION ATTACHMENT 1

Applicant, PS Lightwave, Inc., requests streamlined application status as 47 CFR section 63.12 allows PS Lightwave, Inc. same. More specifically, PS Lightwave, Inc. is not affiliated with a foreign carrier in a destination nor does the Applicant have an affiliation with a dominant U.S. carrier whose international switched or private line services the Applicant seeks authority to resell (either directly or indirectly through the resale of another reseller's services). Moreover, the Applicant does not expect the Commission not to streamline the application processing.
