RE: Registration of Crave Technologies Ltd. as a non-dominant carrier

Mr. Small,

On 27 February 2013, Crave Technologies Ltd. completed the requirements to register as a non-dominant carrier. Based on the information provided, Crave Technologies Ltd. meets the requirements to be placed on the list of non-dominant carriers and is hereby authorized to:

- Provide a class of forborne telecommunications services not including among those exempted by Telecom Decision 95-19 (<http://www.crtc.gc.ca/eng/archive/1995/DT95-19.htm>)

Crave Technologies Ltd. is reminded that in order to remain on any Facilities-Based registration list(s), it must comply with the appropriate regulatory regime and complete the following forms in the Data Collection System (DCS) on an annual basis:

- Canadian Telecommunications Common Carrier Ownership and Control Filings
- Registration List Contact Information
- Reporting Entity Profile
- Annual Revenue Report Form

Failure to comply with any of the above noted statutory requirements will result in the revocation of Crave Technologies Ltd.'s authority to provide service and removal from the CRTC's registration list(s).

Yours sincerely,

Paul Godin
Director General
