

**VIZADA, INC.:**  
**AMENDMENT TO APPLICATION FOR**  
**INTERNATIONAL SECTION 214 AUTHORITY**

Vizada, Inc. (“Vizada”) hereby amends its pending request for international Section 214 authority (“STA”) to continue to provide BGAN and existing and evolved (E&E) services via the Inmarsat 4F2 satellite at 52.75° W.L. (File No. ITC-214-20061213-00559).

By this filing, Vizada requests authority to provide Inmarsat BGAN and E&E services via all Inmarsat 4<sup>th</sup> Generation satellites.

On January 7, 2009, Inmarsat services will be relocated from the 4F2 satellite currently located at 52.75° W.L. to the 4F3 satellite at 97.65° W.L. Grant of the requested authority to provide Inmarsat BGAN and E&E services via all Inmarsat 4<sup>th</sup> Generation satellites will allow Vizada to provide services regardless of a particular satellite’s orbital location.

In support of this request, Vizada hereby incorporates by reference the information provided in its applications for BGAN and E&E service authority as amended, its prior STA requests, and its pleadings in those proceedings.
