

**Amendment
to Pending International 214 Application
(File No. ITC-214-20210318-00049)**

Applicant, Veracity Networks, LLC (“Veracity”) hereby files this amendment to amend its pending international 214 authorization application at File No. ITC-214-20210318-00049. Veracity amends the application to add a request for authorization for global or limited global resale authority under Section 63.18(e)(2) of the Commission’s rules to the application. This amendment is limited to expanding the request for authorization, and no other changes to the pending application are sought by Veracity.
