NARRATIVE STATEMENT IN SUPPORT OF AMENDMENT

SkyTel Corporation submits this amendment to correct its response to Question 16 of its pending International Section 214 application.

The Applicant seeks Global Resale Authority pursuant to 47 C.F.R. § 63.18(e)(2). The Applicant does not seek “Other Authorization” pursuant to 47 C.F.R. § 63.18(e)(3).

In the original application, Question 16 was inadvertently answered “Yes.” Because the Applicant does not seek authority under § 63.18(e)(3), the correct response to Question 16 is “N/A.”

Accordingly, this amendment changes the response to Question 16 from “Yes” to “N/A.” No additional or different authority is requested by this amendment.

Respectfully submitted,

SkyTel Corporation
