Re: Notification of *Pro Forma* Assignment of International Section 214
Authorizations Pursuant to Section 214 of the Communications Act of
1934, as Amended

Dear Ms. Salas:

Pursuant to Section 63.24(b) of the Commission's Rules, Alloy LLC hereby notifies the Commission of the *pro forma* assignment of the derivative international Section 214 authorization previously held by GTE Wireless Victoria LLC to Corpus Christi SMSA Limited Partnership. This derivative international Section 214 authorization was assigned to Corpus Christi SMSA Limited Partnership on October 3, 2000, as a result of internal restructuring within Alloy.

We hereby certify that this assignment was *pro forma* as defined in Section 63.24(a) of the Commission's Rules, and this *pro forma* assignment, together with any previous *pro forma* transactions involving this derivative authorization, did not result in a change of the entity's ultimate control.

Please feel free to contact me if you have any questions regarding this letter.

Sincerely,

Philip Horton
Counsel for Alloy LLC
