Re: Birch Telecom, Inc., Notification of *Pro Forma* Assignment and
Transfer of Control of International Section 214 Authorizations

Dear Ms. Dortch:

Pursuant to Section 214 of the Communications Act of 1934, as amended, and Section 63.24(d) and Section 63.24 (f) of the Commission's rules, Birch Telecom, Inc. ("Birch Telecom"), by undersigned counsel, hereby notifies the Commission that the company and all of its subsidiaries filed voluntary petitions for bankruptcy protection under Chapter 11 of the U.S. Bankruptcy Code on August 12, 2005. Accordingly, Birch Telecom now operates as Birch Telecom, Inc., Debtor-in-Possession ("Birch DIP") and each of Birch Telecom's subsidiaries also has been accorded Debtor-in-Possession status.¹ Given that the bankruptcy filing did not result in a change in the ultimate ownership or control of Birch Telecom, however, the transaction resulted only in a *pro forma* assignment and *pro forma* transfer of control of the international Section 214 authorizations held by the relevant Birch Telecom subsidiaries.²

Attached hereto as Exhibit B is a certification that the assignment and transfer of control were *pro forma* and that, together with all previous *pro forma*

¹ Attached hereto as Exhibit A is a list of the international Section 214 authorizations impacted by the Birch Telecom bankruptcy and the subsidiary to which each international Section 214 authorization has been issued.

² Each international Section 214 authorization underwent a *pro forma* assignment from the relevant subsidiary to that same subsidiary as Debtor-in-Possession. In addition, each subsidiary holding an international Section 214 authorization underwent an indirect *pro forma* transfer of control from Birch Telecom to Birch DIP. The transfer of control is *pro forma* because the shareholders of Birch Telecom and Birch DIP are identical.
