Robin - No problem. The application items 5 (Section 214 authorization holder's information), 6 (Assignor's information), & 7 (Assignee's information) all list Belgravia Carrier Communication's address information. What is the address information for Belgravia Telecommunications Company, LLC d/b/a Belphone? Sumita

Sumita - I'm thinking must have gone awfully wrong with that electronic filing. What is the system showing you in #7? I didn't understand from our conversation that you needed more than the name of the assignee. My apologies:

The ownership of the assignee is the same as for the original authorization holder:

Richard Brandes, who can be reached at:
1489 W. Warm Springs Road, Suite 110
Henderson, NV 89014

Mr. Brandes is a U.S. citizen whose principal business is investing.

The regulatory contact information for the assignee is:

Shawn Collins
1489 W. Warm Springs Road, Suite 110
Henderson, NV 89014
phone: 702-851-6660
fax: 702-851-7074
e-mail: shawn@belphone.com

I hope this is what you needed. Please let me know if you need further information.

Thanks, Robin

Robin - Thank you for responding so promptly. This takes care of application items 4, 5, & 6. Before the correction is uploaded to the system, I need item 7 information which is assignee's e-mail and street address including country/citizenship, d/b/a, and phone and fax numbers. Thanks again.

Sincerely,
