Joann:

As per our phone conversation yesterday afternoon, the following edits will need to be made for the above referenced 214 Transfer of Control which was submitted electronically via the FCC website on 11/15/06:

- 1- Please change the file number in the application to reflect Trinsic Communications, Inc.. The file number should be: ITC-214-19980507-00300.
- 2- Please change the Company name in question #5 from Mr. David Heise to Communications Xchange, LLC.
- 3- Please change the Company name in question #6 from Mr. Michael B. Reith to Trinsic Communications, Inc., and also their main phone number to 813-273-6261.

We are requesting that you make these edits to our filing and post them as a corrections attachment on the FCC website.

Thank you for your assistance with these changes. If you have any further questions about these changes, please don't hesitate to call.
