Ms. Mukhoty-

I apologize for the delay in responding to your question, but I was offsite almost all of yesterday and had to track some materials down to respond to you fully. Clearcomm has a 59.19% voting and equity (common stock) interest in Newcomm. SuperTel has a small equity interest in Clearcomm (Clearcomm has a very large number of very small limited partners), but SuperTel is the only general partner, so SuperTel ends up with control over Clearcomm and an attributable interest of 59.19% in Newcomm as well.

I've also attached an organizational chart that may be helpful--it was filed in connection with the FCC Form 602 we filed in ULS.
