RE: **ITC-ASG-20080728-00348** - In the Matter of the Joint Application of Access Integrated Networks, Inc. d/b/a Birch Communications, Birch Telecom, Inc. and Navigator Telecommunications, LLC for Authority pursuant to Section 214 of the Communications Act of 1934, as Amended to Transfer Certain Customer of an Authorized Domestic and International Carrier

Dear Ms. Dortch:

The original and one (1) copy of this letter is submitted at the request of the staff of the International Bureau to correct a certain omission in the above referenced application that was filed on July 28, 2008 by Birch Telecom Inc. and Navigator Telecommunications, LLC and to amend the application accordingly.

The following omission occurred:

- 1) On Page 2 in Paragraph 2, the first sentence reads "Applicants have entered into an Asset Purchase Agreement whereby the Birch subsidiaries will general acquire Navigator's residential and business local and long distance customers in **ten** states...". In the listing of states, one state, Montana, was omitted, thereby listing only nine states. We request to amend the application to include the following corrected statement: "Applicants have entered into an Asset Purchase Agreement whereby the Birch subsidiaries will general acquire Navigator's residential and business local and long distance customers in ten states, Illinois, Indiana, Kansas, Michigan, Missouri, Montana, Ohio, Oklahoma, Texas, and Wisconsin."

Please acknowledge receipt of this filing by returning, file-stamped, the extra copy of this cover letter in the self-addressed, stamped envelope enclosed for this purpose.

Any questions you may have regarding this transaction should be directed to my attention at (407) 740-3006 or via email to croesel@tminc.com.

Respectfully,

Carey Roesel
