Dear Sumita:

This is in response to your questions re the above referenced Section 214 application.

This will clarify that the application was filed to cover the pro forma transfer of Nordia Inc.'s existing Section 214 authorization to a sister company, Stellar Nordia Services, LLC. The transfer of this authorization was effected by assignment of the authorization from Nordia Inc. to Stellar Nordia Services LLC for nominal consideration.

If you have any further questions, please contact me.

Sincerely,

Greg Staple
