This is further to my November 19, 2008 correspondence with you regarding the above application describing the pro forma transfer of control of the Nordia Inc. Section 214 authorization.

Per your telephone query, this will confirm that, to my knowledge, upon consummation of the assignment of the Section 214 authorization to Stellar Nordia Services, LLC, the transferor, Nordia Inc., the transferee, ceased the provision of all international telecommunication services covered by the authorization. To my knowledge, any such services are now provided by Stellar Nordia Services, LLC.

Sincerely,

Greg Staple
