

ITC-ASG-20081202-00521

Midcontinent Communications

Assignment

Current Licensee:

Charter Fiberlink, LLC

From:

Charter Fiberlink, LLC

To:

Midcontinent Communications

Application for consent to the assignment of certain assets and related liabilities belonging to Charter Fiberlink, LLC (Charter Fiberlink) to Midcontinent Communications (Midcontinent). Pursuant to the terms of an Assets Purchase Agreement dated October 7, 2008, Midcontinent will acquire from Charter Fiberlink all of its assets used to provide international service in the communities of Fairmont and Sherburn in Minnesota. Midcontinent will provide international service to its newly acquired customers pursuant to its existing international section 214 authorization, ITC-214-20010606-00327. Charter Fiberlink will continue to provide services to its remaining customers pursuant to its international section 214 authorization, ITC-214-20030127-00071.

Midcontinent Communications Investor, LLC (Midcontinent Investor) and TCI-Midcontinent, LLC (TCI-Midcontinent) each have a 50% ownership interest in Midcontinent. Midcontinent Investor is 100 percent owned by Midcontinent Media, Inc., a privately-held Minnesota company in which Larry Bentson holds a 95.81% ownership interest. TCI-Midcontinent is wholly-owned by Comcast Corporation, a public company in which no individual or entity holds a 10 percent or greater direct or indirect equity or voting interest.

Sumita,

What is the file number of the application they are withdrawing?

JoAnn

---

As requested by Ms. Mukhoty when we spoke earlier today, I have attached an electronic copy of the letter I filed with the Commission yesterday withdrawing the December 3, 2008 Joint Section 214 application filed by Midcontinent Communications and various Charter entities. As described in the letter, this withdrawal does not affect the subsequent Section 214 application filed by the same parties on December 17, 2008.

Please inform me if any questions should arise in connection with this message.

*J.G. Harrington*
