Subject: RE: Infosat Section 214 notification

Sumita,

Per the conversation we just had, I am clarifying that:

1. Infosat Able Holdings did not hold Section 214 authorizations prior to December 8, 2008, when Able Infosat assigned its Section 214 authorizations to Infosat Able Holdings.
2. The assignment of Section 214 authorizations from Able Infosat to Infosat Able Holdings was pro forma, because Able Infosat is a wholly-owned subsidiary of Infosat Able Holdings.
3. Now that the Section 214 authorizations have been assigned as part of an internal restructuring, Able Infosat will no longer provide international common carrier services and Infosat Able Holdings has become Infosat's provider in the United States of international common carrier services.
4. We ask that IBFS be updated to show Infosat Able Holdings as the holder of the Section 214 authorizations.

Thank you.
