Thank you. We did not grant the STA either. The underlying application, ITC-ASG-20081217-00538, was auto-granted on Feb.27, 09. Have a nice day.

Attached please find the public notice granting the Charter/Midcontinent 214 transfer of assets application that was released today. Please note that we did not grant Midcontinent's STA request.

Please let me know if you have any questions.
