Dear Ms. Dortch:

The above referenced International Section 214 Partial Assignment Applications (the “Section 214 Applications”) contain a Public Interest Statement that is identical to the one found in Form 603 Wireless Transfer of Control Application, File No. 0003840313 (the “Lead Application”).

The Lead Application has been amended to correct a typographical error in the penultimate sentence on page ii of the Public Interest Statement by substituting “77” for the prior text, as well as to make minor changes to Appendices A and B to the Public Interest Statement.

/x/ Scott Feira
