Re: FairPoint Communications, Inc., Applications to Assign International Section 214 Authorizations (See Exhibit A for File Numbers)

Dear Ms. Dortch:

On December 21, 2010, the Commission granted a series of assignment applications filed by certain of the subsidiaries of FairPoint Communications, Inc. (collectively, "FairPoint") seeking consent to the assignment of their international Section 214 applications in connection with FairPoint's emergence from bankruptcy. *See* DA 10-2391 (Dec. 22, 2010). As a condition of those grants, the Commission required FairPoint to provide the Commission with updated information with respect to the equity and voting interests held in FairPoint following its emergence from bankruptcy.

Accordingly, FairPoint hereby notifies the Commission as follows:

- Based on a SEC Schedule 13D filing submitted on February 3, 2011, AG Funds GP, L.P.; AG Funds, L.P.; JM Funds LLC; John M. Angelo; and Michael L. Gordon now hold equity and voting interests in FairPoint of approximately 17.62 percent (*i.e.*, slightly greater than the approximately 15 percent expected at the time the applications were filed); and
- Based on a SEC Form 3 filing submitted on February 4, 2011, Marathon Asset Management, L.P. ("Marathon") now holds equity and voting interests in FairPoint of approximately 10.9 percent (*i.e.*, over 10 percent and, as such, newly disclosable). Marathon is an investment manager formed in the U.S. and headquartered at One Bryant Park, 38th Floor, New York, NY 10036.

To FairPoint's knowledge, no other individual or entity holds an equity or voting interest in FairPoint of 10 percent or more.

Please contact the undersigned should you have any questions.

Sincerely,

/s/ Jarrett S. Taubman
