### ANSWER TO QUESTION 13

The present filing is a notification of *pro forma* assignment of the International Section 214 authorization held by Indiana Fones, Inc. (“Fones”) to Central Indiana Communications, Inc. (“CICI”). That assignment occurred on January 1, 2008 when Fones was merged into CICI. Prior to the merger, Fones was a wholly-owned subsidiary of CICI. At that time, the Commission was notified by letter of the *pro forma assignment* and the information required by Sections 63.24 (f) and 63.18 (a) through (d) and (h) of the rules was provided. However, it was recently discovered that the Commission’s records continue to reflect Fones as the holder of the International 214, perhaps because the previous notification was not submitted electronically through the IBFS. A copy of that previous submission is attached hereto. Because Fones no longer exists as a separate entity as a result of its merger, the surviving company, CICI, is making all certification and statements related to the 214 Authorization Holder on behalf of Fones. The merger transaction qualifies as a *pro forma* assignment under section 63.24(d) of the Commission’s rules as it is an “[a]ssignment or transfer from a corporation to a wholly owned direct or indirect subsidiary thereof or vice versa . . . .” See Note 2 to paragraph (d).
