

CERTIFICATE

The undersigned hereby certifies, on behalf of Leading Edge Communications, Inc. with respect to the foregoing notice for pro forma assignment of authority to provide international services, that:

1. Leading Edge Communications, Inc. is not affiliated with any foreign carrier in any of the countries to which Leading Edge Communications, Inc. proposes to provide service in the foregoing notice.
2. Leading Edge Communications, Inc. will comply with the terms and conditions contained in Section 63.21, 63.22 and 63.23 of the Commission's Rules. 47 C.F.R. 63.21-23.
3. Leading Edge Communications, Inc. does not seek to provide international telecommunications service to any destination where: (1) Leading Edge Communications, Inc. is a foreign carrier in that country; (2) Leading Edge Communications, Inc. controls a foreign carrier in that country; (3) any entity that owns more than a 25% interest in Leading Edge Communications, Inc., or controls Leading Edge Communications, Inc., controls a foreign carrier in that country; or (4) two or more parties own, in the aggregate, more than 25% of Leading Edge Communications, Inc. and are parties to, or the beneficiaries of, a contractual relationship that affects that provision or marketing of international basic telecommunications services in the United States.
4. Leading Edge Communications, Inc. has not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses sufficient market power on the foreign end of the route to affect competition adversely in the U.S. market and will not enter into such agreements in the future.
5. This is a pro forma assignment because, prior to April 18, 2011, I maintained 100% ownership and control of the independently incorporated entities Leading Edge Communications, LLC and Leading Edge Communications, Inc. As of April 18, 2011, Leading Edge Communications, LLC merged into Leading Edge Communications, Inc. Thus, the assignment of the international 214 authorization and common carrier operations is "an assignment from a corporation to a corporation owned or controlled by the assignor stockholders without substantial change in their interests." 47 C.F.R. § 63.24(d), Note 2.
6. No party to this application is subject to a denial for Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. 853 (a).
