Answer to Question 13

Description of Transaction

Creative Interconnect's owners wish to redeploy their capital into other ventures or investments and, therefore, have entered into an agreement to sell Creative Interconnect's telecommunications assets, including its customer base, to Utility. The proposed transaction will take place pursuant to an asset purchase agreement between Creative Interconnect and Utility, whereby Utility will acquire the telecommunications customer base and assets of Creative Interconnect in exchange for cash payment.

Following the transfer, Utility will provide continued service to the transferred customers under the same rates, terms, and conditions that they enjoyed previously as customers of Creative Interconnect, without disruption or any other adverse impact on service quality. Thus, the transaction will be virtually transparent to affected customers. In accordance with applicable Commission and state requirements, all affected customers will be provided a minimum of thirty days' advance written notice of the proposed transaction. Further, closing of the transaction will be subject to receipt of all required Commission and state authorizations.
