Answer to Question 13

Means by which assignment has taken place

GTA Services, LLC, assignor, is a wholly-owned subsidiary of parent company TeleGuam Holdings, LLC, assignee. Due to a corporate restructure which consolidates subsidiary companies under the parent company, the long distance operations of GTA Services, LLC have been merged into TeleGuam Holdings, LLC where long distance service will now be provided. GTA Services, LLC does not seek to retain 214 authorization as it has been merged into the surviving entity of TeleGuam Holdings, LLC.

This is a pro forma assignment which does not result in a change in the ultimate control or ownership of TeleGuam Holdings, LLC which remains wholly owned by AP Teleguam Holdings, Inc.
