**COMBINED/JOINT INTERNATIONAL AND DOMESTIC  
APPLICATION FOR  
TRANSFER OF CONTROL**

Pursuant to section 214 of the Communications Act of 1934, as amended (the "Act"), and sections 63.04 and 63.24 of the Commission's rules, this Application seeks Commission approval to transfer control of the assets of Applewood Communications Corporation ("Applewood") to Telrite Corporation ("Telrite") (the "Acquisition"). Applewood holds authority to provide domestic and international telecommunications services pursuant to section

214 of the Act.<sup>2</sup> On May 10, 2012, Telrite entered into an Asset Purchase Agreement with Applewood Communications Corporation (“Applewood”),

Applewood is a provider of interstate, international and intrastate interexchange telecommunications services. The customers of Applewood will benefit from the resources and assets of Telrite in the ultimate transaction, which will help ensure continuity of service and enhance the ability of Telrite to offer a broader range of innovative products and services to customers. The transfer of control will therefore serve to enhance the overall capacity of Telrite to compete in the marketplace and to provide telecommunications services for a greater number of consumers at competitive rates. Grant of this Application clearly will promote competition in the interstate and international long distance telecommunications markets and will serve the public interest.

**I. INFORMATION REQUIRED BY SECTION 63.24**

This Application seeks authority to transfer the control of the assets of Applewood Communications Corporation which holds authority pursuant to section 214 of the Act to provide domestic interstate and international telecommunications service to Telrite Corporation. Section 63.24(e)(2) of the Commission’s rules requires that an application for a substantial transfer of control of a carrier holding international section 214 authority include the following information, as described in section 63.18:

- (a) The name, address and contact number of the transferor is:

Telrite Corporation  
4113 Monticello Street  
Covington, GA 30014  
Ph. (678) 202-0828  
Fax: (678) 202-1323

---

<sup>2</sup> Applewood holds domestic and international authority pursuant to section 214 of the Act. Authority was granted in File No. ITC-214-20070713-00278 on August 24, 2007.

The name, address and contact number of the transferee is:

Applewood Communications Corporation  
1057 Bill Tuck Highway, Suite 224  
South Boston, VA 24592  
Ph. (646) 291-2446  
Fax (509) 351-9061

The name, address and contact number of the holder of section 214 authorities is:

Applewood Communications Corporation  
1057 Bill Tuck Highway, Suite 224  
South Boston, VA 24592  
Ph. (646) 291-2446  
Fax (509) 351-9061

- (b) Applewood is a Delaware corporation.  
Telrite is a Georgia corporation

- (i) Applicants certify that they are not, and following the proposed transaction will not be, affiliated with any foreign carrier within the meaning of section 63.09(d) and (e).
- (j) The Applicants certify that they do not seek authority to provide service to any country described in paragraphs (1) through (4) of section 63.18(j).
- (k) Not applicable.
- (l) Not applicable.
- (m) Not applicable.
- (n) Applicants certify that they have not agreed to accept special concessions directly or indirectly from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses market power on the foreign end of the route and will not enter into such agreements in the future.
- (o) Applicants certify that no party to the Application is subject to a denial of Federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988.

- (p) This international section 214 Application qualifies for streamlined processing pursuant to section 63.12 because the applicants are not affiliated with any foreign carriers; are not affiliated with any dominant U.S. carriers whose international switched or private line services the applicant seeks authority to resell; and do not seek authority to provide switched basic services over private lines to a country for which the Commission has not previously authorized the provision of switched services over private lines. This Application therefore should be granted, pursuant to section 63.12(a), fourteen days after the date of public notice listing this Application as accepted for filing.

## II. ADDITIONAL INFORMATION REQUIRED BY SECTION 63.04

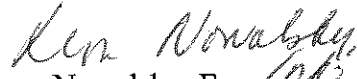

This Application seeks Commission consent to transfer control of Applewood, which holds authority to provide domestic and international telecommunications services pursuant to section 214 of the Act. Pursuant to section 63.04(b) of the Commission's rules, the parties submit the following information in support of this Application in response to items 6 through 12 of section 63.04(a):

- 6) As set forth above, this Application seeks Commission consent to transfer control of the assets of Applewood to Telrite. As a result of the transfer, Applewood will cease to operate and requests relinquishment of its current authority.
- 7) [intentionally omitted]
- 8) This Application qualifies for streamlined processing under section 63.03(b)(2)(I) because the transferee will have a market share in the interstate interexchange market of less than 10 percent, the transferee will provide competitive telephone exchange services or exchange access services exclusively in geographic areas served by a dominant local exchange carrier that is not a party to the proposed transaction, and no party to this Application is dominant with respect to any service.
- (9) The parties will file a slamming certification letter with the Commission, if necessary.
- (10) Only standard streamlined processing of this domestic section 214 transfer of control application is sought pursuant to Section 63.03.
- (11) No waiver requests are being filed in conjunction with the transaction.
- (12) As discussed above, grant of this Application will strengthen Telrite as the post-transaction company and will become a stronger competitor in the marketplace for interstate and international telecommunications services. The customers of Applewood will benefit from Telrite's resources and assets, which will help ensure continuity of service and enhance the ability of Telrite to offer a broader range of innovative products and services to customers. Grant of this Application will promote competition in the domestic interexchange and international telecommunications markets and will serve the public interest.

### III. CONCLUSION

For the foregoing reasons, this Application respectfully requests that the Commission consent to the transfer of control of Applewood to Telrite.

*Respectfully submitted,*
