Answer to Question 11: 10% or Greater Equity Holders of Assignee

The Assignee, Bright House Networks Information Services (Florida), LLC, is a Florida limited liability company, and its address is 301 East Pine Street, Suite 600 Orlando, FL 32801-2755. Assignee's principal business is providing competitive local exchange services. Assignee is 100% owned by Bright House Networks, LLC (a Delaware limited liability company), which is in turn, 100% owned by Time Warner-Advance/Newhouse Partnership ("TWE-A/N") (a New York partnership). Advance/Newhouse Partnership (a New York partnership) owns 33.33% of TWE-A/N, and exercises control and management rights of Bright House Networks, LLC, and has contractual power to designate 100% of the individuals exercising functions similar to those of directors of a corporation.¹ Newhouse Broadcasting Corporation ("NBCo") (a New York corporation), through a single, 100% owned intervening New York limited liability company, holds 61.24% of the equity in Advance/Newhouse Partnership. S.I. Newhouse, Jr. and Donald E. Newhouse, both of whom are U.S. citizens, indirectly hold 24% in Assignee through their interests in NBCo. Newark Morning Ledger Co. (a New Jersey corporation) holds 38.76% in Advance/Newhouse Partnership through a single, 100% owned intervening New York limited liability company. Newark Morning Ledger Co. is 100% indirectly owned by Advance Publications, Inc., a New York Corporation. No person or entity with interests in Advance Publications, Inc. hold 10% or greater interests attributable to Assignee.

¹ Time Warner Cable Enterprises LLC (a Delaware limited liability company) owns 66.67% of the equity in, but does not exercise control, over TWE-A/N. Time Warner Cable Enterprises LLC is ultimately 100% owned by Time Warner Cable Inc. through a series of intervening entities. Time Warner Cable Inc. is a publicly traded U.S. corporation.

Answer to Question 13: Description of the Transaction

Assignor seeks to assign the section 214 authorizations, including international 214 authorization file number ITC-214-20090525-00246, and the customer base and other assets of Licensee to Assignee pursuant to an agreement between the Assignor and the Assignee. The closing of the transaction is contingent on receiving approval from this Commission.

Answer to Question 20: Request for Streamlined Processing

Applicants respectfully submit that this application is eligible for presumptive streamlined processing with respect to Licensee's 214 international authorization under Section 63.12(a) and (b) of the Commission's rules because applicants are not affiliated with any foreign carriers, and they do not seek to resell the international switched or private line services of any dominant U.S. carrier.
