Hi Sumita,

As requested, I am sending a few clarifications regarding the Telovations assignment application (file number ITC-ASG-20121116-00310).

1. All the assets of Telovations, Inc. ("Telovations"), including its 214 authorizations, customer base and trade name, are being assigned to Bright House Networks Information Services (Florida), LLC ("BHNIS").
2. After the transaction closes, BHNIS will provide the same services to the Telovations customers under the Telovations trade name.
3. You had requested the names of the intervening entities included in the last full sentence on p. 6 of the parties' joint domestic/international application, and the next sentence which continues on p. 7.
  - a. Regarding the first sentence, Newark Morning Ledger Co., a New Jersey corporation, owns 100% of Advance Communications Company LLC, a New York limited liability company. Advance Communications Company LLC owns 38.76% of Advance/Newhouse Partnership.
  - b. Regarding the second sentence, Newark Morning Ledger Co. is 100% owned by Advance Magazine Publishers Inc., a New York corporation. Advance Magazine Publishers Inc. is 100% owned by The Patriot-News Co., a Pennsylvania corporation. The Patriot-News Co. is 100% owned by Advance Publications, Inc., a New York corporation.

Of course, please do not hesitate to contact me should you have any further questions. When you've had the chance to review this information, would you kindly confirm that the application will be put on public notice this Friday, Dec. 7, 2012 so I can confirm for my client?

Thanks so much,

Danielle
